

# Volunteer Operations Guide

Course, aid stations, pace-based shifts, roles and race-morning protocol for volunteers and group leaders. Corrected against santafehalfmarathon.com and the race director's rulings, 13 September 2026.

## Review draft: confirm these before distributing

1. **Shift times now follow runner pace.** Station and marshal shifts in Sections 3 and 4 come from the published course map. The volunteer page on the website still shows its older role-card times (5:30 AM–2:00 PM) and sign-up form times (5:00–8:00 AM and 8:00–11:30 AM), so volunteers will see two versions until that page matches. The sign-up form's 11:30 AM finish would close Station Alpha six minutes before the sweep.
2. **Station 4 (Beta, miles 8 and 10) location: RESOLVED.** Kosgei confirmed the station coordinate 35.68335, -105.9705 on Sept 19, and the website's course-map pin now sits there (the old pin marked the 7.5-mile spot).
3. **Safety staffing, partner agencies and radio channels.** No race source confirms agency names, head counts or channel numbers, so Section 6 leaves them blank.
4. **Volunteer waiver.** No volunteer waiver has been written. Both waivers on file are written for runners. See Section 7.

## 1 Race overview

- **Race day:** Sunday, September 20, 2026 · Santa Fe, New Mexico · 7,000 ft. The course runs between 6,567 and 6,883 ft, with 651 ft of climbing.
- **Start times:** wheelchair division 7:25 AM · Half Marathon and 3-Amigos Relay 7:30 AM at Romero's Park, Agua Fría · Santa Fe 5K 8:00 AM at Reunity Resources Farm · Kids 1K Dash 9:00–10:00 AM at Reunity (free, ages 3–12, not chip-timed).
- **Finish, all races:** Reunity Resources Farm, 1829 San Ysidro Crossing.
- **Roads into the start close at 7:00 AM.** Course support ends at **12:00 PM**, the 4 hour 30 minute course limit.
- **Rolling closure:** the course closes and reopens in stages as the field passes, so closure times differ from point to point. Per-mile times are in Section 4 and on the course map.
- **Awards** at the Reunity finish festival: 5K at 9:45 AM · Half Marathon and Relay at 10:45 AM. The finish festival runs 9:00 AM–1:00 PM.

**There is no cutoff on the course.** Mile 9 is the turnaround and nothing more. The only limit is the 12:00 PM course close. **Never turn a runner back.** Runners behind the sweep are offered a ride to the finish; riding is their choice.

## 2 The course

A single-pass loop through Agua Fría village, then out and back along the Santa Fe River Trail, the paved path built by the river restoration.

1. **Start: Romero's Park, Agua Fría** (map pin 35.65923, -106.02906). In a maps app, search "Romero Park, Santa Fe"; the street address does not show correctly in navigation apps.
2. **Opening village loop, miles 0–4.9.** Run once. Aid stations 1 (mile 2) and 2 (mile 4) are on this loop.
3. **Corridor Entry, mile 4.9.** The course joins the Santa Fe River Trail. Relay Exchange Zone 1 is here, at a wide gravel pull-off.
4. **Out along the Santa Fe River Trail.** Through San Isidro River Park and Agua Fría Park (mile 6). The trail stretch is a divided two-way runner lane with a centre cone line; runners keep right.
5. **Turnaround, mile 9.** Course high point, 6,883 ft. Aid station 5 with ALS medical. Relay Exchange Zone 2.
6. **Return along the same trail, miles 9–13.1.** Stations 3 and 4 serve runners again on the way back (miles 10 and 12).
7. **Finish: Reunity Resources Farm** (map pin 35.66079, -106.01042). Relay teammates may join for the final 100 meters.

Turn-by-turn route, mile markers and rolling-closure times: [santafehalfmarathon.com/course-map/](http://santafehalfmarathon.com/course-map/)

### 3 Aid stations

**Five aid stations, seven water points**, at miles 2, 4, 6, 8, 9, 10 and 12. Runners are never more than about 2 miles from water. Every station has restrooms.

| STATION        | MILE     | SUPPLIES                                                              | NOTES                                                                                                                     | MAP PIN                |
|----------------|----------|-----------------------------------------------------------------------|---------------------------------------------------------------------------------------------------------------------------|------------------------|
| 1              | 2        | Water and electrolytes                                                | Opening village loop, single pass. Restrooms.                                                                             | 35.674675, -106.015428 |
| 2              | 4        | Water, electrolytes and <b>medic</b>                                  | Opening village loop, single pass. Restrooms.                                                                             | 35.66683, -106.02284   |
| 3 · Alpha      | 6 and 12 | Water, electrolytes and energy gels                                   | Dual-sided: the same table serves runners on the way out and on the way back. Crew access by UTV shuttle only. Restrooms. | 35.665437, -105.996545 |
| 4 · Beta       | 8 and 10 | Water, electrolytes and <b>medical kit</b> . Stock 1.5x electrolytes. | Dual-sided, on either side of the turnaround climb. Crew access by UTV shuttle only. Restrooms.                           | 35.68335, -105.9705    |
| 5 · Turnaround | 9        | Water, electrolytes and <b>ALS medical</b>                            | Course high point, 6,883 ft. Runners turn here for home. Restrooms.                                                       | 35.688632, -105.957383 |

### Station shifts, set by runner pace

Your shift follows the field, not the clock. The rolling closure reaches your station 15 minutes ahead of the first runner, so be set up by then. Your station stays open until the sweep passes. The sweep moves at 20:30 per mile, the pace that reaches the finish just before the 12:00 PM course close.

| STATION   | MILE     | SET UP BY | FIRST RUNNER | TWO-WAY TRAFFIC   | SWEEP PASSES |
|-----------|----------|-----------|--------------|-------------------|--------------|
| 1         | 2        | 7:25 AM   | 7:40 AM      | None, single pass | 8:11 AM      |
| 2         | 4        | 7:35 AM   | 7:50 AM      | None, single pass | 8:52 AM      |
| 3 · Alpha | 6 and 12 | 7:45 AM   | 8:00 AM      | 8:30–9:33 AM      | 11:36 AM     |

| STATION        | MILE     | SET UP BY | FIRST RUNNER | TWO-WAY TRAFFIC   | SWEEP PASSES |
|----------------|----------|-----------|--------------|-------------------|--------------|
| 4 · Beta       | 8 and 10 | 7:55 AM   | 8:10 AM      | 8:20–10:14 AM     | 10:55 AM     |
| 5 · Turnaround | 9        | 8:00 AM   | 8:15 AM      | Runners turn here | 10:34 AM     |

- **Be ready at the set-up time, not the first-runner time.** Wheelchair athletes start at 7:25 AM, and handcyclists can reach you before the first runner does.
- **Stay open until the sweep passes,** even when the table goes quiet. The last runners are well behind the pack and need water as much as the leaders did.
- **Alpha and Beta serve both directions at once** during the two-way window. Work from the same table and keep runners right of the cone line.
- For Alpha, the sweep passes outbound at 9:33 AM and comes back at 11:36 AM. For Beta, outbound at 10:14 AM and back at 10:55 AM. Only the return pass closes the station.

### Medical coverage

- Medical tents at the **start** (Romero's Park) and the **finish** (Reunity Resources Farm), with **ALS medical at the finish**.
- Medic at **mile 4** (Station 2) · medical kit at **Station Beta** (miles 8 and 10) · **ALS medical at the mile-9 turnaround** (Station 5).
- A public safety team is positioned about every 2 miles along the course. Emergency response corridors are coordinated with the City of Santa Fe; traffic control holds or escorts vehicles inside closure sectors.

## 4 Volunteer roles

Most positions are on race day, Sunday, September 20. Expo shifts run September 18–19. Volunteers aged 12 and under are welcome with an adult. Water station and course marshal shifts follow runner pace. The other times below are from the volunteer page.

| ROLE                                  | WHAT YOU DO                                                                                                                                                                                                                                                            | WHEN AND WHERE                                                              |
|---------------------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-----------------------------------------------------------------------------|
| <b>Water Station Crew</b>             | Cheer runners on and hand out water and electrolytes at the stations in Section 3. Alpha and Beta crews reach their stations by UTV shuttle only.                                                                                                                      | Race day<br>By station, from set-up to sweep (Section 3)                    |
| <b>Course Marshal</b>                 | Guide runners along the route, manage intersections and trail crossings, and keep everyone on course safely. Keep runners right of the cone line on the two-way trail stretch.                                                                                         | Race day<br>By post, from closure to reopening (table below)                |
| <b>Finish Line Crew</b>               | Welcome runners across the line, hand out finisher medals, and help with the post-race celebration at Reunity Resources Farm. The first Half Marathon runners arrive about 8:35 AM, and the sweep reaches the finish just before 12:00 PM.                             | Race day<br>7:00 AM–2:00 PM                                                 |
| <b>Kids 1K Dash Support</b>           | Keep the Kids 1K Dash fun and safe: cheer young runners, manage crowd flow, celebrate finishers.                                                                                                                                                                       | Sun, Sept 20<br>8:30–10:00 AM<br>Reunity                                    |
| <b>Shuttle Stop Ambassador</b>        | Staff one of the three Santa Fe Trails shuttle stops: Reunity Resources Farm, the San Isidro Church lot, or Romero's Park. Point runners to the bus, keep the loading zone clear, and run the final passenger sweep before the last departures (7:30 AM and 11:15 AM). | Sun, Sept 20<br>6:00–7:45 AM and<br>10:00–11:30 AM                          |
| <b>Packet Pickup and Registration</b> | Help runners collect bibs, shirts and race packets at the Health and Wellness Expo.                                                                                                                                                                                    | Warehouse 21<br>Fri, Sept 18 12:00–6:00 PM<br>Sat, Sept 19 10:00 AM–5:00 PM |
| <b>Health and Wellness Expo</b>       | Assist vendors, guide attendees and help host the cultural demonstrations.                                                                                                                                                                                             | Sept 18–19                                                                  |

### Course marshal posts: rolling closure by mile

Hold your post from the closure time until the course reopens behind the sweep. On the trail corridor, miles 5 to 8 carry runners in both directions and reopen only after the sweep comes back.

| MILE | CLOSES  | FIRST RUNNER | REOPENS | NOTES                                 |
|------|---------|--------------|---------|---------------------------------------|
| 1    | 7:20 AM | 7:35 AM      | 7:50 AM | Village loop, single pass             |
| 2    | 7:25 AM | 7:40 AM      | 8:11 AM | Village loop, single pass · Station 1 |
| 3    | 7:30 AM | 7:45 AM      | 8:31 AM | Village loop, single pass             |
| 4    | 7:35 AM | 7:50 AM      | 8:52 AM | Village loop, single pass · Station 2 |

| MILE | CLOSES  | FIRST RUNNER | REOPENS  | NOTES                                                      |
|------|---------|--------------|----------|------------------------------------------------------------|
| 5    | 7:40 AM | 7:55 AM      | 11:57 AM | Corridor, two-way · same ground as mile 13                 |
| 6    | 7:45 AM | 8:00 AM      | 11:36 AM | Corridor, two-way · same ground as mile 12 · Station Alpha |
| 7    | 7:50 AM | 8:05 AM      | 11:16 AM | Corridor, two-way · same ground as mile 11                 |
| 8    | 7:55 AM | 8:10 AM      | 10:55 AM | Corridor, two-way · same ground as mile 10 · Station Beta  |
| 9    | 8:00 AM | 8:15 AM      | 10:34 AM | Turnaround · Station 5                                     |

### What volunteers should know on race morning

- **Race-morning packet pickup:** 6:00–7:00 AM at Romero's Park, for Half Marathon and Relay runners only. 5K runners must collect at the expo.
- **Gear bags:** drop 6:00–7:00 AM at Romero's Park; trucked to the finish; collect at Reunity Resources Farm by 1:00 PM.
- **Parking:** Half and Relay at Romero's Park · 5K at Reunity Resources Farm · third lot at San Isidro Church, across the street from Reunity. It is about a 20-minute walk (1.1 miles) between the lots.
- **Shuttle:** one Santa Fe Trails bus loops the three lots about every 15 minutes, 6:00–7:45 AM (last departure 7:30 AM) and 10:00–11:30 AM (last pickup 11:15 AM from Romero's Park). ADA boarding assistance is provided. **Any race barricade or road closure on Agua Fria Street or at a park entrance must let the shuttle through.**
- **Relay exchanges** are at mile 4.9 (Corridor Entry) and mile 9 (Turnaround). Legs are 4.9, 4.1 and 4.1 miles. The sash is handed over inside the marked chute, and both runners stay in the chute during the handoff.
- **On course:** strollers are welcome; no pets.
- **At the finish:** finisher medals and age-group medallions are made by Maasai artisans. The post-race green chile brunch is prepared by Santa Fe YouthWorks.

Volunteer thank-yous: exclusive volunteer shirt, breakfast and lunch for race-day volunteers, finish-festival access, and a certificate of participation. Registration deadline to guarantee your shirt size: Wednesday, September 16, 2026.

## 5 Aid station log

For group leaders: one sheet per station. Complete on race morning and return to the finish-line information tent.

**Station number and location:** \_\_\_\_\_

**Group leader:** \_\_\_\_\_ **Phone:** \_\_\_\_\_

**Set up by:** \_\_\_\_\_ **Sweep passed at:** \_\_\_\_\_

### Part 1: Attendance

| VOLUNTEER NAME | PHONE | ARRIVAL TIME | INITIALS |
|----------------|-------|--------------|----------|

| Trash bags and rakes             |          |                 |                          |

### Part 3: Notes and incidents

Supplies ran out early? ☐ No ☐ Yes, item and time: \_\_\_\_\_

Setup or logistics issues: \_\_\_\_\_

Medical or safety incidents (runner bib number if known): \_\_\_\_\_

Group leader sign-off: \_\_\_\_\_ Time: \_\_\_\_\_

## 6 Communication and incident protocol

---

### Radio

Primary channel: \_\_\_\_\_ Backup channel: \_\_\_\_\_ Provided at check-in. **Confirm before distributing.**

Race command and law-enforcement relay: \_\_\_\_\_ (provided at check-in)

### Incident levels

1. **Minor** (cuts, scrapes, questions): handle at the station with the first aid kit, and log it in Part 3.
2. **Course issues** (a runner off course, crowding, public trail users in the runner lane): radio race command with your station number or nearest crossing, and alert the nearest course marshal.
3. **Emergency** (serious injury, a runner in medical distress, an immediate safety threat): **call 911 first**, then radio race command with your exact location so crews can clear the path at the nearest crossing.

**Nearest medical help:** medic at mile 4 (Station 2) · medical kit at Station Beta (miles 8 and 10) · ALS medical at the mile-9 turnaround (Station 5) · medical tents at the start and the finish, with ALS medical at the finish.

- **Never turn a runner back.** There is no cutoff on the course. A runner who wants to stop can ride with the sweep, or go to the nearest aid station.
- Tell runners who feel unwell to stop at the nearest aid station or flag the nearest volunteer.
- **Confirm:** law-enforcement, search-and-rescue and bike-patrol staffing, and how volunteers contact them. No race source confirms these yet.

## 7 Volunteer waiver

---

**No volunteer waiver has been written yet.** The race director needs to supply one approved by the race's attorney, and decide whether volunteers sign it when they register or at check-in. A parent or guardian signs for volunteers under 18.

The two waivers on file are both written for runners, and neither fits volunteers. One asks the signer to certify that a licensed medical doctor has verified their fitness. The other is a draft marked for attorney review. This guide does not reproduce or write waiver language.

### Race contact

info@santafehalfmarathon.com · (505) 920-9799

---

Prepared 13 September 2026 from santafehalfmarathon.com (Course Map, Aid Stations, Volunteer, Relays, Transportation and Parking, Safety and Support pages), the Santa Fe Trails shuttle operations packet, and the race director's rulings. Shift and closure times are the course map's published pace model: front runners at 5:00 per mile and the sweep at 20:30 per mile from the 7:30 AM start. It corrects the draft "SFI Half Marathon Volunteers form": the five water stations, the course shape (a single-pass loop and one turnaround, not point-to-point), and the medal wording (Maasai artisans make the finisher medals and the age-group medallions). Unconfirmed staffing, radio and waiver details are left blank rather than guessed.
